Dear Middle School Families,

Welcome to a new year of faith formation! We are excited to welcome you back for another great year. A theme flowing throughout our school and religious education this is that we have been “Created for a Purpose” and we will be breaking open that theme as we explore who God created us to be.

Faith formation is a lifelong process, and with that in mind I would like to invite not just students, but parents to also consider devoting some time to deepening their faith this year. We will be introducing a new adult faith series that will take place once a month during your child’s religious education session. Monsignor Larry will be the primary presenter for these sessions, with Bishop Donald Hying joining us for the February presentation. A schedule of the Living Our Faith: A People Called to Purpose is included with this letter. Please consider joining us for these opportunities to grow in faith!

Registration for middle school classes can be found on our website, or you may also do so manually. (No need to preregister for the adult session.) Directions outlining the step-by-step process for both forms of registration are included with these materials. Please submit your completed registrations by Wednesday, September 28th.

If you have any questions, please do not hesitate to reach out to me.

Your Servant in Christ,

Shawn Willox
Director of Youth Ministry
