Dear Families,

As summer draws to a close, we joyfully anticipate the start of a new catechetical year—one filled with new friends, dedicated teachers, and meaningful learning experiences! Our theme for this year is “Planted in God’s House” (Psalm 92:13). Through engaging lessons and activities, your children will have the opportunity to grow in their relationship with Jesus and gain confidence to share the Good News of Christ with others.

This year, registration and payment for all faith formation programs will take place online. Whether you are registering one child or several children in different grade levels, you may complete everything with a single form and payment. Just copy and paste the following link into your internet browser, <https://madisondiocese.ccbchurch.com/goto/forms/650/responses/new>. You may also find the registration link on our parish website under “Faith Formation (Religious Education),” (www.qopc.org/ministries/faithformation.cfm). We kindly ask that all registrations be submitted by Wednesday, October 1st.

Finally, without the generosity of those willing to share their faith, in-person faith formation would not be possible. With a growing program, we are always looking for new individuals to assist. We invite you to prayerfully consider being part of this ministry. If you are interested—or know someone who would be a good candidate—please contact Kay Schachte.

We look forward to growing together in faith this year! If you have any questions, please do not hesitate to reach out.

With kind regards,
