September 6, 2026

Dear Families,

As we prepare to begin a new catechetical year, we joyfully look forward to welcoming our children and families back for another year of growing together in faith. Our theme for this year is "Be P.E.A.C.E."—Preparation and Perseverance, Excellence, Accountability, Compassion, and Evangelization. Throughout the year, these values will help guide our children as they deepen their relationship with Jesus, grow in their knowledge of the Catholic faith, learn to live as His disciples, and gain confidence in sharing the Good News of Christ with others.

Registration for our 2026–2027 Faith Formation programs is now open. Whether you are registering one child or several children in different grade levels, you may complete everything using a single registration form and payment.

To register online, click [HERE](#). The registration link may also be found on our parish website under the "Faith Formation" tab. We kindly ask that all registrations be submitted by Wednesday, September 30th.

As we begin another year, we are also especially grateful for the many parishioners who generously share their time and faith with our children. In-person faith formation would not be possible without them. As our program continues to grow, we are always in need of additional catechists and classroom assistants. We invite you to prayerfully consider whether God may be calling you to take part in this important ministry. If you are interested—or know someone who would be a good candidate—please contact Kay Schachte.

We look forward to another wonderful year of growing together in faith as we strive to "Be P.E.A.C.E." in our classrooms, our parish, our homes, and our daily lives. If you have any questions, please do not hesitate to reach out.

With kind regards,
